OUR HEAVENLY INHERITANCE WHAT IS IT? WHAT IS ITS WORTH?

Perhaps you know what it's like to be told, "Your grandfather has written your name into his will," (or something similar to that). You don't wish for his death, but you hold in your heart an anticipation of what you will someday inherit.

God has written you into His will and promised you an inheritance of immense value, as He has for all His children.

Do you know what it is?

Do you have any idea of its worth?

Have you mistakenly minimized its worth, saying to yourself, "Well, I will be content just to make it into Heaven when I die"? Does that attitude do justice to the price Jesus paid for you to receive the inheritance "reserved in Heaven for you"?

Do you know "what are the riches of the glory of His inheritance in the saints"?

Are you ready to embrace the responsibility that comes with being an heir of such riches?

Come to this Annual Retreat prepared in heart to examine in more detail such issues.

REGISTRATION

You may register online by going to our website at www.evergreencenterinc.org OR complete the registration form printed on the back of this brochure and mail it in with your payment.

For more information regarding registration or accommodations please email us at evergreencenter@evergreencenterinc.org or call our office (715) 366-7003 and speak to Megan.

Registration deadline is September 1st.

 Almond, WI 54909

Retreat Speaker

Pastor Doug Detert graduated from Harvard College in 1964 with a degree of Bachelor of Arts *cum laude* in General Studies, with a Concentration in Mathematics. He enrolled in Central Bible College in the fall of that year and took courses at the Masters of

Theology level for one year. In 1965 he married Mildred Bombara, and together they ministered for 18 months at Brooklyn Teen Challenge in New York City. From 1967 to 1996 Doug and Millie trained and served at the Zion Faith Homes in Zion, Illinois. He was ordained as a minister there in 1973.

In June 1996 they left the Faith Homes and moved to their present home in Wautoma, Wisconsin; subsequently a congregation emerged out of Bible studies that Doug was conducting in the area. In 1998 the congregation obtained 501(c)(3) status as a non-profit religious corporation under the name of Evergreen Center. Evergreen held its first retreat in 1999. Eventually, Doug agreed to become Pastor of the newly formed church. The corporation purchased its present property in 2006. With the board's backing, Doug pioneered the Discipleship Program, whose first class graduated in 2009.

During his time at Evergreen Center, Rev. Detert has served as Founder, President, Pastor, and Teacher. Though retired, he continues to teach the morning Bible study times and occasionally preach.

In addition to his responsibilities at Evergreen Center, Pastor Doug has traveled frequently to the Far East, primarily to Myanmar and India. The connections he developed opened the door for graduates of the Discipleship Program to become missionaries in those countries.
